

Mit Studierenden kommunizieren

- Teachers can use many of **TUWEL's** activities ...
 - For announcements use "News Forum" ("**Nachrichtenforum**" – instructions: as [video](#), as [cheat sheet](#))
 - For student questions and answers use "**Forum**" (instructions: as [video](#), as [cheat sheet](#))
 - For surveys, to collect opinions, use "**Feedback**" (instructions: as [video](#), as [cheat sheet](#))
 - For short opinion polls use "Choice" ("**Abstimmung**" – instruction: as [video](#))
 - For consultation hours, brainstorming sessions, short revision sessions use "**Chat**". Here are two tools available: the TUWEL Chat (instruction: as [cheat sheet](#)) or the **TUchat** ([link](#))
- A hint: Encourage your students to collect content themselves, according to the motto "Students help students!"
 - Via "**Wiki**" (instructions: as [video](#), as [cheat sheet](#))
 - or set up a separate "**forum**" for this purpose
- Another tip: You or your assistants can moderate the forum by correcting wrong answers.
