

TUWEL Kurs anlegen

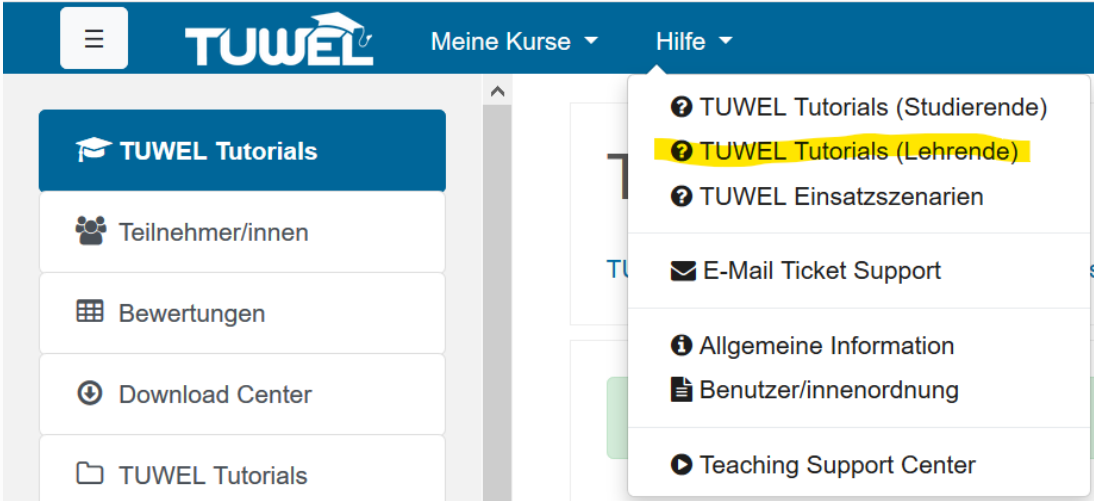

Step-by-Step manual:

1. Create your lecture in TISS and announce it.
2. Announce the TUWEL course in TISS.
3. Use the e-learning tab to create a TUWEL course out of TISS
4. Checklist with all necessary information on a TUWEL course life cycle ([TUWEL_Checkliste-DE.pdf](#))

Cheat Sheets & Videos - Teaching Support Center:

- Create a TUWEL course in TISS [German only]: [Cheat Sheet](#) & [Video](#)

 Further information can be found directly in the TUWEL Tutorials course: <https://tuwel.tuwien.ac.at> Help TUWEL Tutorials (Teachers).

The screenshot shows the TUWEL Tutorials interface. The top navigation bar includes a hamburger menu icon, the TUWEL logo, and two dropdown menus: 'Meine Kurse' and 'Hilfe'. The 'Hilfe' dropdown menu is open, displaying the following options: 'TUWEL Tutorials (Studierende)', 'TUWEL Tutorials (Lehrende)' (highlighted in yellow), 'TUWEL Einsatzszenarien', 'E-Mail Ticket Support', 'Allgemeine Information', 'Benutzer/innenordnung', and 'Teaching Support Center'. On the left side of the interface, there is a sidebar with a 'TUWEL Tutorials' header and four menu items: 'Teilnehmer/innen', 'Bewertungen', 'Download Center', and 'TUWEL Tutorials'.
